SUBJECT: LITHUANIA: EU STILL DISCUSSING IAEA ISRAEL AGENDA
ITEM

REF: SECSTATE 119672

We delivered reftel points to Rimgaile Karciauskaite, Second Secretary in the MFA's Arms Control, Non-proliferation and

SIPDIS

Disarmament Division, on September 6. She said that the EU was still involved in discussions in Vienna and she had not heard anything official. She said a consensus looked unlikely, but EU support for a "no action" motion may still be possible. She said the GOL would follow the EU lead if it supports a "no action" motion, but has not considered this issue directly.
